To Whom It May Concern:

I am writing this letter to highly recommend, and give testimony to, Jaykee Athletic Corporation, Fitness Brokers Company 16449 Haskins Road, Chagrin Falls, Ohio 44023.

Jaykee Athletic Corporation has done a significant amount of business with the Cleveland Clinic. I have been very pleased not only with the quality of their equipment, but their pricing. Their consulting services and equipment recommendations have been priceless. The experience from beginning to end has consistently been superior. Jaykee's response time has been excellent and their Service Department goes the extra mile to ensure complete satisfaction.

In today's environment, business ethics and level of services are priceless. Jaykee Athletic Corporation meets high standards and comes with my recommendation.

Sincerely,
