Parker Hannifin recently engaged Fitness Brokers to assist with a major renovation of our Corporate Headquarters Fitness Center.

Jeff Levine and all of his staff were an absolute pleasure to work with throughout the process. They are knowledgeable, dependable, courteous and have a true commitment to customer service.

Jeff and his staff exhibit a true spirit of cooperation. They exhibited flexibility by making themselves available on short notice when needed. They demonstrated the ability to work with multiple vendors and contractors effectively. Their products and services were delivered timely.

Their focus on quality service delivery truly contributed to the success of our new facility. I would highly recommend Fitness Brokers. Their demonstrated expertise in all aspects of Fitness Center operations and the health and fitness industry makes working with them a truly pleasurable experience.

Sincerely,

Lisa M. Beck
