Re: Authorized Precor Commercial Dealer

Fitness Brokers has been authorized by Precor Incorporated to advertise, display and distribute Precor commercial products for 2010.

To ensure Precor customers receive the quality service they deserve, we select Authorized Commercial Dealers and Servicers whom we believe share our vision of quality and service. Most of Precor's products are equipped with features that require proper installation and set-up. Precor provides training to its Authorized Commercial Dealers for proper installation and maintenance. We expect our Dealers to provide pre-delivery and post-delivery service and to maintain trained service personnel.

By purchasing Precor products from an Authorized Commercial Dealer, our customers can be secure that they will get the most from their investment.

Please accept this letter as confirmation that **Fitness Brokers** is our assigned Authorized Commercial Dealer of our commercial products for Ohio Telephone Area Codes 440, 330 & 216.

Kind Regards,
