To whom it may concern,

I am the Chief of Police in Bedford, and we have a fitness facility in our building which many of our officers use on a daily basis. After many years of trial and error, looking for a vendor to purchase and maintain equipment from, we FINALLY found Fitness Brokers Company!

Jeff Levine and his Staff have been awesome to work with. Words cannot express how grateful we are to have such a great partnership. Aside from the prompt, courteous, and knowledgeable service that they provide, what sets Fitness Brokers apart from other vendors, is that they make us feel like part of the family. It's as if they were doing the job for one of their own.

With our facility, Jeff and his crew had their work cut out for them. They were very flexible throughout the process, navigating around (although small), a very busy facility. From the design and layout in our "unique" shaped room, to the high quality equipment that is needed due to the 24/7 use our gym gets. Also the well thought out maintenance program helps keep the equipment functioning like new.

I would highly recommend Jeff Levine and Fitness Brokers to any organization. Please do not hesitate to contact me as a reference.

Sincerely,

Chief Marty Stemple
