Dear Jeff & Gene:

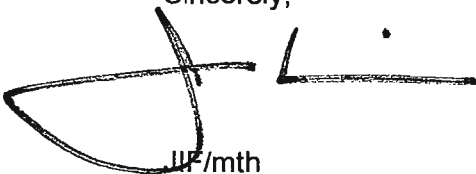

Over the years, we have relied on you for your recommendations with regard to our fitness equipment needs. You have become our preferred supplier throughout the country.

It has come to our attention that you may be prohibited from working with us in certain markets and, thus, we are unable to take advantage of a national account pricing structure.

This is to advise you that we will not allow you to work with any manufacturer who will not allow you to provide us with the equipment we need at a national account price and who will not permit you to ship this equipment directly to our properties in other markets.

I am hopeful that we will be able to continue our long-standing relationship and we will continue to look to you as our preferred supplier for fitness equipment.

Sincerely,

JIF/mth
